

THURSDAY NIGHT AUGUST 2, 2018

[Word received during the song, "Holy Spirit You Are Welcome Here"]

You say that I am welcome here. Where is here? What places am I welcome in your life? What do you open for Me? What places are off limits? Will you open those doors that you have locked and said, "Off limits" to Me? Will you give Me a carte blanche invitation to every place you live and work and dwell? This weekend is a time to open the doors!!!! (Tina Roach)

My children, My Spirit is moving. Just as the rain causes the river to overflow its banks, so My Spirit is rising in your midst. Feel My cleansing in your mind. Hopeless thoughts, condemning thoughts are being lifted. Feel My cleansing in your heart. Humble yourself and fully surrender to My cleansing. Depression and chronic anxiety are being healed in My presence. Worship Me in the beauty of My holiness. Linger in the stillness. "Let the Beloved of the Lord rest secure in Him"...Deut. 33:12
(Margie Burger)

Do not be afraid of what I will do. I am a good God. I will pour out blessings on you. The dry places will become a place of abundance of joy and peace. (Nell Maki)

My children cry out in hunger for Me and I have heard their cry. You do not serve a hollow god who cannot or will not see His kids. You serve the Most High God -- maker of heaven and earth -- Creator of life -- Giver of the breath of life. I am blowing My breath of life over you. Breathe in deeply. My breath of life will renew your soul. It will stir the depth of your being to cry out -- to expel the air and noise of ordinary, natural life and to breathe in deeply of the breath of God -- the supernatural life that can be yours. Rest. Don't strive. You can't make this supernatural power of your own workings or of your own deeds. Rest and breathe Me in and I will reveal in you the spiritual depths of your soul. Come step into My water of renewal. Do not be afraid of getting wet. I am your life guard. You are never in danger when you are in My water, so stride out ankle deep, knee deep, waist deep, shoulder deep. Immerse yourself in My renewing streams. (Iva O'Ryan)

FRIDAY MORNING AUGUST 3, 2018

Did I quench your thirst for Me last night? Maybe not -- but don't worry -- there is MORE! More of My power. More of My presence. More of my unconditional love to pour out on you -- My children. Let your loving Papa hold you and lavish the more of God on you today. (Iva O'Ryan)

I am doing a new thing. The winds are blowing. Don't be surprised at how quick it will happen. Keep your eyes upon Me. I am not done with the work you are to do. Trust and you will see the goodness of the Lord in the land of the living. Bow before Me and give Me praise. I love the praise of My children. (Nell Maki)

[vision] During worship I saw two waterfalls of Living Water flowing down from the two front corners of the Sanctuary. The waters of the waterfalls were flowing across the floor. Are you ready to jump in? (Tina Roach)

My children, My very own people... Do you know that just one drop - one drop of the Living Water is life altering? One drop will change your life. As I told the woman at Jacob's well...I can give you water that will cause you to never thirst again. Yet today I say...one drop, one drop will surely cause you to thirst for more of Me. Why, My children, would you settle for one drop when the entire well is yours? Yes, the entire well that never will run dry is yours. It belongs to you. I belong to you -- receive in full, My children. Drink until you are fully satisfied. That satisfying drink will change everything. You will be filled--continually...to overflowing. Overflowing into the city streets, your church aisles, your home, your mind, your heart...My land. The land of My people will not remain dry. Take and drink...do you prefer one drop or the entire well? It's all yours. I am your God. My word is true. Drink of Me. (Tonya Marvin)

FRIDAY NIGHT AUGUST 4, 2018

[released in song] Come To Me All Who Are Thirsty

I am calling my people to the water. The water is a place of transformation and refreshing. The water is a place of healing, restoration. The water is a glorious spring of salvation. All who are thirsty - come. All who are empty - come. All who are broken - come. All who are Barren - come. All who are grieving - come. All who are in desperation- come. All who are lonely - come. All who are mournful - come. All who are fearful - come. For I am the one who restores and refreshes and this is the season of refreshing. I call you to run and enjoy that which I bring forth from the deep parts of my heart -- For I am He who satisfies the thirsty and the giver of living water. COME! I call you to quench your spirits, flood your minds, and drown your hearts to become like mine. COME! Come to my flowing life giving river. COME! Come to the Dry Wells and call them to be re-dug and satisfy the parched dry thirsty lips of my people. COME! I will satisfy. (Rev. Ric Wright)

I hear the praises coming from your heart - For some this is a brand new start. Know My heart desires the more - the more as you walk through open doors. You have to take the first step. Come on in, the water is fine and without lack. Be brave to jump in and not hold back. I'm here to catch you, here to answer your call. Your Abba Daddy will never let you fall. So let go of insecurities and your thoughts of fear. I'm living, I'm near and My word is clear. The desire you have to want more of Me has come from Me as I want to set you free. At one time Oklahoma was a dust bowl. Dry. Barren. Lifeless. People left in droves looking for better...more. But now, I declare Oklahoma to be a fountain of life. Freshness. Overflowing in My river of life. Let the river flow thru you. Don't be content with just watching the river flow around you. Jump in...swim. Float in the presence of the Lord and let Him bring His healing to your whole body. Your heart. Your mind. Your soul. All of you. I am not a God of fractions. I am a God of wholeness. Jump in and experience Math Jesus in whole numbers! (Iva O'Ryan)

SATURDAY NIGHT AUGUST 5, 2018

My children, Oh, how I love you. Yes you, each of you. I created you in your mother's womb. I called you good. I called you "mine" ~ and I delight in you. As I delight -- all of Heaven rejoices! I delight in you that came wanting to know more about Me and Heaven rejoices that now. You do. You know more about Me, You know about the more of Me and now you thirst. In this, all of Heaven rejoices! I delight in you that came desiring something of Me. I have delighted in meeting your needs. I was delighted to set you free of that addiction. I was delighted to heal your wounded heart. I was delighted as I renewed your mind. I delighted in giving you vision, in confirming your call, and in strengthening you for the journey ahead. And as I delighted, Heaven rejoiced. I delight in you that came wanting, desiring -- the more of Me. I have delighted in witnessing you receive in amazement all that I poured out upon you. Heaven rejoices! Heaven rejoices that you not only received the Living Water but that now it flows in and through you. My children, hear Me. There is still more...always more. When you turn to Me...when you step toward Me, the Living Water, I rush to you. Not just today, not just yesterday, but forever. Every step, big or small, that you take towards Me -- Heaven, all of Heaven, rejoices! I, My children, delight in you. I delight in giving/meeting your heart's desire. For your heart's desire is Me. And all of Heaven rejoices!! (Tonya Marvin)
